WORK EXPERIENCE

TikTok Shop (ByteDance)

Product / Growth Intern, Seller Growth

Feb 2026 – Present

- Owned design of an AI-driven seller targeting system, defining an ML pipeline to identify high-potential sellers → improved model accuracy from 45% to 86%, enabling more efficient resource allocation
- Built a Python-based automation system for marketing asset collection, designing a data pipeline that reduced manual workload by 80% and improved operational scalability
- Optimized seller campaign strategy using data analysis, redefining campaign thresholds and duration → increased total sellable products by 12%
- Designed UX and interactive education materials for EPR compliance across 4 European markets, improving seller understanding and reducing onboarding friction

Perfect Corp.

Product Owner – YouCam Perfect App

May 2022 – Jan 2026

- Owned product strategy and system design of an AI photo editing agent, defining a multi-model orchestration framework (LLM + vision models) that transformed multi-step editing into a one-prompt experience → drove 30% YoY revenue growth
- Built AI Mix — a multi-engine composable feature orchestrating hairstyle, image-to-video, and video transfer models — becoming the top revenue driver in the credit system → generated \$728K in annual revenue
- Led Gen AI app optimization and mentored a junior PM, defining growth strategy and iterating on feature design → increased MAU by 18%
- Designed and launched Credit & Account System, introducing a hybrid monetization model (subscription + pay-per-use credits), improving backend scalability and enabling flexible AI feature pricing

Monetization & Growth PM

Apr 2021 – May 2022

- Redesigned subscription architecture into Plus / Pro tiers aligned with AI usage intensity, in collaboration with server and finance teams → increased overall revenue by 10%
- Led pricing and conversion optimization via A/B testing and UX redesign across paywall touchpoints → increased subscription conversion rates by up to 100%; price A/B test drove \$200K additional annual revenue

Marketing Communication Specialist

Jul 2020 – Apr 2021

- Owned App Store growth strategy across YouCam Makeup, YouCam Perfect, and YouCam Video → drove 33% organic install growth and \$164K revenue uplift through ASO optimization
- Defined and executed localization strategy across 16 markets → improved conversion rates by 24% in non-English markets

EDUCATION

University College London (QS World University Ranking: 9)

Sep 2025 – Present

MSc Strategic Management of Projects

National Taiwan University (QS World University Ranking: 68)

Sep 2016 – Jun 2020

Bachelor of Political Science, Minor in Economics · GPA 3.7/4.3
